 Description QB Contractor 2006

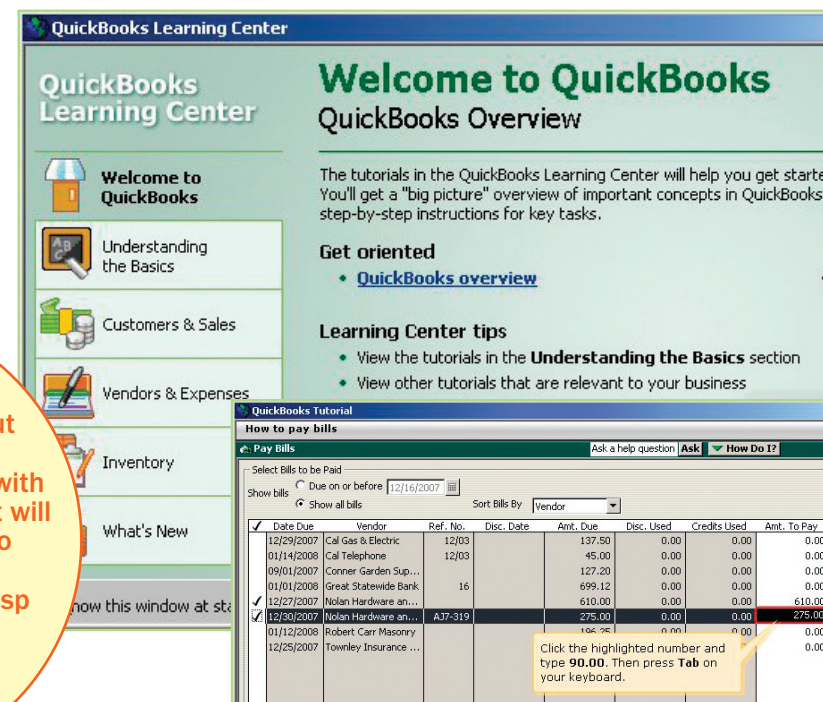

Fast, worry-free setup in just minutes...

...even if you're new to accounting!

- Waste no time getting up and running
- Quickly learn everything you need to know to start managing your business with QuickBooks
- Interactive training demos help you and your staff learn quickly

“Being very timid about anything accounting oriented, I'm thrilled with the Learning Center. It will help me immensely to manage my business and have a better grasp on my finances.”

Sherry Brown
 Super Quarter Horses

Run your business finances with confidence

Easy-to-learn, easy-to-use QuickBooks accounting software... AND a powerful support and community network.

fact

Entrepreneurs who regularly use the advice of professional advisors have revenues that rise 76% more than small firms without such advice.**

fact

Small business owners can feel isolated and overwhelmed without a network of other business owners to draw on.

fact

Running a successful business takes more than capital. It takes know how.**

QUICKBOOKS COMMUNITY

- Take your business to the next level.**
 - Quickly connect to 3,000+ QuickBooks accountants and bookkeepers across Canada
 - Find a ProAdvisor for your business... they all are experts with QuickBooks!
- FREE online community of small business owners**
 - Access the knowledge and experience of 100,000+ small businesses
 - Ask questions, get solutions, share experiences and advice on business and QuickBooks
- Increase your "Know How" and improve your business.**
 - QuickBooks and business finance classes taught at 1200+ locations across Canada
 - 85,000+ students have already increased their expertise with proven training programs that include QuickBooks

FREE INSIDE ProEst Estimating Software

60-DAY MONEY-BACK GUARANTEE

Accounting software designed and set up for **Contractors**

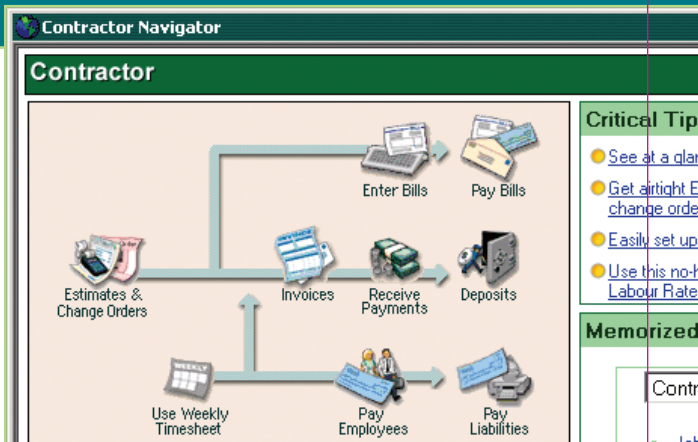

Includes all the great features of QuickBooks Premier and powerful customization for Contractors.

Guides you through the correct steps for error-free accounting

- The Contractor Menu and Navigator help set up your business in ways proven to work for contractors
- Get tips on job costing, estimating, invoicing and more
- Work with familiar contractor terms and forms onscreen – no accounting jargon to understand

Make more money with accurate job costing

- Step-by-step process to produce estimates – nothing is missed
- Bills and receipts are automatically tied to specific jobs – no need to re-enter data
- Always know how your business is doing – 11 contractor-specific reports including the T5018

Ordinary Income/Expense	Build (Mike Ludwick)	Reposition values (Mike Ludwick)	Mike Ludwick - Other (Mike Ludwick)	Total Mike L
Income				
Construction	1,794.00	350.00	0.00	2,144.00
Contributions	0.00	0.00	3,222.00	3,222.00
Rental Income	0.00	0.00	0.00	0.00
Sales	0.00	29.95	0.00	29.95

“We looked at other systems, but QuickBooks Contractor Edition really spoke directly to our industry and to our needs. We could put it to work right away. It was well worth the money and it was a snap to use from the start!”

Christel Hankewich
 Digger Dan's Contracting Ltd.

Track changes and get paid every dollar you're due

- Automatically track customer changes to estimates with change orders
- Instantly transfer data from your estimates to your invoices
- Have the flexibility to split single customer payments to different invoices
- Get paid earlier with progress invoices for larger jobs
- Track holdbacks accurately and easily

Be more efficient – keep all your job details in one place

- All your customer details and contact management are automatically integrated with **QuickBooks Customer Manager**
- Manage your jobs completely from estimate to purchase order, invoice and job cost reports
- Only type your job details once! Automatically create invoices and purchase orders from your accepted bids
- Conveniently e-mail estimates, invoices, purchase orders and other forms to your customers, subcontractors and suppliers – right from QuickBooks⁵
- Fixed assets, GST and PST are accurately tracked and easily reported
